

Vikki Schiff

Vice President, Human Resources

Vikki Schiff is the Vice President of Human Resources for Ball Aerospace & Technologies Corp. She leads all aspects of the company's HR function including recruitment, employee relations, training, development, compensation and benefits.

Schiff has a wealth of experience in the aerospace and high tech industries. Her background and knowledge cover all areas of human resources, including: compensation, benefits, employee relations, policy administration, succession planning, employment law and talent acquisition.

Schiff joined Ball Aerospace as a human resources business partner in 2005 and has held several positions with increasing responsibility since then. Most recently, she was director of HR Operations. Prior to joining Ball, she held human resources leadership positions at McDATA Corporation, netLibrary and the Boulder Chamber of Commerce.

Schiff serves on the board of directors for the Community Food Share in Louisville, CO. She is a certified senior professional in HR through The Society for Human Resource Management.

Schiff received a B.S. in business administration from Florida State University.
